9. Open Forum:

- A resident wants to know why we can't figure out how to spend the \$73,000 of ARPA. It will cost the township lots of money, it costs us \$50,000 to hire someone to figure it all out. You have to do what the government wants, it will take lots of time. The resident is going to look into it to see if there is anything that we could use the money as he thought we could spend it on roads and building. Bonnie mentioned that we could look into donating it to another Township in need. Call Steve Fenske if this is something we would like to do.

-Bonnie's notes from the District 8 meeting: Any short course or annual event ideas, or questions to let them know. We may get higher gas tax money in February. Add our computers to our insurance policy (we will check).

Chris makes a motion that the Federal American Rescue Plan Act be given to another Township in need; 2nd by Ann, all approved, motion carried.
